## 1.2 Purpose

- 1.2.1 The purpose of these Regulations is to establish the principles, terms and conditions of the selection process for the RACS Surgical Education and Training Programme in Orthopaedic Surgery conducted in 2025 for the 2026 intake.

## 1.3 Administration

- 1.3.1 RACS is the body accredited and authorised to conduct surgical education and training (SET) in Australia and Aotearoa New Zealand.
- 1.3.2 The AoNZOTB and the NZOA Education Committee are responsible for the delivery of the SET Programme in Orthopaedic Surgery, the accreditation of Accredited Training Posts, and the assessment and supervision of Orthopaedic Surgery Trainees in Aotearoa New Zealand.
- 1.3.3 Selection is conducted annually. These Regulations may be changed from year to year and cannot be relied on for the intakes conducted in future years for the SET Programme.
- 1.3.4 Any Selection Regulations for the SET Programme from any previous years are not applicable and cannot be relied upon for meeting the SET Programme requirements for the 2026 intake unless specifically stated in these Regulations.
- 1.3.5 These Regulations apply to Aotearoa New Zealand only. Applicants who are applying to the Australian SET Program are not eligible to apply to the Aotearoa New Zealand SET Programme the same year.
- 1.3.6 Scores from previous applications are not relevant to a current application. Evidence that was accepted in past unsuccessful applications will not be accepted on the basis that it has been accepted previously. All evidence must comply with the Regulations for the current selection year.

- 1.3.7 All communication during the selection process between the NZOA and the Applicant will be conducted in writing via email. Applicants are responsible for ensuring their contact information is current.
- 1.3.8 Applicants must notify the Education and Training Manager via email to [prue@nzoa.org.nz](mailto:prue@nzoa.org.nz) of any contact information changes as soon as possible.
- 1.3.9 In the event of any discrepancy or inconsistency between these Regulations and other information from any source, written, verbal or otherwise, the RACS Policies and Procedures shall prevail.

#### **1.4 Objective of the SET Programme**

- 1.4.1 The overall objective of the SET Programme is to produce competent independent specialist surgeons with the experience, knowledge, skills and attributes necessary to provide the communities, health systems and professions they serve with the highest standard of safe ethical and comprehensive care and leadership.
- 1.4.2 The SET Programme is structured to ensure Trainees achieve competencies in
- 1.4.2.1 Medical expertise;
  - 1.4.2.2 Judgement and clinical decision making;
  - 1.4.2.3 Technical expertise;
  - 1.4.2.4 Professionalism;
  - 1.4.2.5 Health advocacy;
  - 1.4.2.6 Communication;
  - 1.4.2.7 Collaboration and teamwork;
  - 1.4.2.8 Leadership and management;
  - 1.4.2.9 Scholarship and teaching; and
  - 1.4.2.10 Cultural competence and cultural safety

## **2 Principles and selection criteria**

### **2.1 Principles of Selection**

- 2.1.1 The aim of the selection process is to select people of the highest calibre for the SET Programme on the basis of merit through a fair, open and accountable process.
- 2.1.2. The selection process will be documented, transparent, and objective with Applicants having access to eligibility criteria, information on the selection process, general selection criteria and a reconsideration, review and appeal process.
- 2.1.2 The selection process is subject to continuous review to ensure continued validity and objectiveness and this Regulation is updated regularly to reflect any amendments made to the selection process
- 2.1.3 The selection process will abide by the principles of the RACS Regulation: [REG-2017 Registration and Selection to Surgical Education and Training](#).

- 2.1.4 The number of SET Trainees selected in any year will depend on the number of eligible Applicants together with the number of Accredited Training Posts available in the following year.
- 2.1.5 Interviews are not automatically granted to eligible Applicants.
- 2.2 General Selection Criteria**
- 2.2.1 Applicants are expected to have adequate basic insight in Orthopaedic Surgery to make an informed decision about the specialty as a potential career path.
- 2.2.2 Applicants are expected to have a sound knowledge of basic sciences, and a commitment and motivation to continuous self-directed learning including a demonstrated willingness to seek out experiences through active participation in activities such as scientific meetings, conferences, courses and workshops.
- 2.2.3 Applicants are expected to have exposure to varied working environments, work hours and an aptitude to appropriately manage high stress environments in a responsible, efficient and dependable manner, seeking appropriate assistance when needed.
- 2.2.4 Applicants are expected to have suitable experience, dexterity and clinical knowledge to consistently make dependable judgements, master operative techniques and provide comprehensive care from initial examination to post-operative management with a willingness to seek advice and modify behaviour based on previous experiences.
- 2.2.5 Applicants are expected to have the necessary hand eye coordination and dexterity to function as an Orthopaedic Surgeon, and decision-making ability in time critical and challenging environments.
- 2.2.6 Applicants are expected to have a history of fostering harmonious highly effective working relationships, having gained the respect of others and exhibiting positive influences in the working environment.
- 2.2.7 Applicants are expected to have a history of being considerate to the views of others at all times, reacting appropriately and diplomatically in all work situations and behaving in a manner, which is professional and supportive for all work, ethnic, social, and gender groups.
- 2.2.8 Applicants are expected to have interpersonal skills and a commitment to contribute effectively as a dependable and accountable member of the health care team, displaying cooperation, tact, courtesy, respect and reliability at all times and actively contributing to assessing progress and providing workable solutions.
- 2.2.9 Applicants are expected to have a history of reliability and punctuality, assuming responsibility for completing tasks without prompting in a timely and efficient manner and demonstrating a high level of self-motivation and organisation.
- 2.2.10 Applicants are expected to have insight into their own strengths and weaknesses, a willingness to accept feedback from others, learn from experiences and from others, and a commitment to actively seek feedback and respond constructively.
- 2.2.11 Applicants are expected to have a willingness at all times to take the initiative and come forward with mistakes and adverse outcomes, displaying absolute honesty and a willingness to seek advice and respond appropriately.

- 2.2.12 Applicants are expected to have highly effective listening and vocabulary skills and timely and highly effective written and verbal communication, keeping all team members up to date without prompting and always providing clear directions and descriptions of situations in an appropriate tone, which encourages confidence and understanding.
- 2.2.13 Applicants are expected to act ethically and responsibly at all times with concern and sensitivity to the needs of others, demonstrating aesthetic sensibility, sound judgment and a focus on providing safe, comprehensive surgical care of the highest standard relating to patients, families and members of the health care team in a manner which exhibits honesty, integrity and compassion.
- 2.2.14 Applicants are expected to have a good knowledge of ethical principles and practices and the ability to identify ethical expectations that impact on patient care and the work environment including informed consent, risk minimisation, confidentiality and clinical governance.
- 2.2.15 Applicants are expected to have interests outside their career and a balance in their work and personal life with community involvement considered to be a positive reflection of the character of the Applicant.
- 2.2.16 Applicants are expected to have an understanding of the importance of research and its application to clinical practice. Publications, presentations or research experience, resulting in some meaningful and tangible outcomes are highly regarded.
- 2.2.17 Applicants are expected to have good integrity, honesty and character upholding high service and professionalism standards, in keeping with the need for the public to have absolute trust and confidence in medical professionals.
- 2.2.18 Applicants are expected to have a commitment to equity of health outcomes and understand issues that face marginalised and disadvantaged groups within our community.

### **3 Selection initiatives**

#### **3.1 Diversity and Gender Equity**

- 3.1.1 Diversity and representation of the community we serve is encouraged.
- 3.1.2 The AoNZOTB has introduced selection initiatives to provide some discretion to enable the Applicants selected to reflect the Aotearoa New Zealand community.
- 3.1.3 Selection initiatives are for the purpose of achieving gender equity between men and women to give effect to the [RACS Diversity and Inclusion Plan](#), which sets targets for increased representation of women in SET across all specialities. Selection initiatives will only be applied after final ranking of suitable candidates.
- 3.1.4 Selection initiatives are for the purpose of achieving cultural equity with Māori to give effect to the [RACS Diversity and Inclusion Plan](#), which sets targets for increased representation of indigenous representation in SET across all specialities. Selection initiatives will only be applied after final ranking of suitable candidates.

- 5.7 Applicants will be emailed confirmation of completed registration and satisfaction of the general eligibility requirements.

## **6 Application**

### **6.1 Online Application**

- 6.1.1 All communication during the application and selection process between the NZOA and the Applicant will be conducted in writing via email. Applicants are responsible for ensuring their contact information is current.
- 6.1.2 The online application form captures information relevant to the eligibility of the Applicant, the administration of the selection process and Assessors used for Workplace Assessments.
- 6.1.3 Applications must be submitted via the Orthopaedic Surgery online application system during the published dates. No other form of application will be accepted.
- 6.1.4 Access to the online form will be made available to all registered and eligible Applicants on the opening date for applications.
- 6.1.5 Documentary evidence and achievements must be entered in the correct section. If entered in the incorrect section of the online application, achievements will not attract points.
- 6.1.6 Applications may be commenced, saved, printed, and re-accessed during the application period.
- 6.1.7 Applications must be submitted by the Application Closing Date. Saved un-submitted applications will not be considered. No extensions will be granted.

- 6.1.8 Once an application is submitted, it cannot be changed. Applicants are responsible for ensuring their application is complete and correct at the time of submission.
- 6.1.9 Incomplete applications or those that do not comply with the instructions within the online application form, or these Regulations will not be considered.
- 6.1.10 Applicants will receive an email confirmation when they have successfully submitted their application.
- 6.1.11 Applicants must pay a selection application fee at the time of application to be considered for selection. If the fee is not received by the Application Closing Date, the application will not be considered. The fee is non-refundable as of the Application Closing Date for applications.
- 6.2 Documentary Evidence**
- 6.3.1 Applicants are responsible for ensuring that all necessary evidence is included in their application at the time of submission. No additional evidence will be accepted once an application has been submitted.
- 6.3.2 In most cases, evidence must be retrospective. Prospective evidence will not be accepted.
- 6.3.3 Forms of evidence other than what is outlined will not be accepted.
- 6.3.4 Where a signature is required, the signature must be either a physical, handwritten signature or an electronic scanned version of such a signature. Address-blocks typed signatures and email signatures are not acceptable.
- 6.3.5 Letters of evidence must be dated.
- 6.3.6 All documentary evidence must be in English or te reo Māori. If any documentary evidence is in a language other than English, a certified translation must be provided.
- 6.3.7 Achievements that are not accompanied by the appropriate documentary evidence as specified in these Regulations, or where the evidence does not meet the verification requirements will not be awarded points.
- 6.3.8 The Selection process and requirements change on an annual basis; no data is carried over from one year's Selection process to the next. Evidence that was accepted in the past will not be accepted on the basis that it has been accepted previously. All evidence must comply with the Regulations for the current Selection process/year.
- 6.3.9 The full name on documentary evidence must match the full name of the Applicant as specified on the online application. If any documentary evidence bears a different name, proof of name change (e.g., marriage certificate) must also be provided.
- 6.3.10 An entry without documentation that clearly supports and verifies it, will not be scored, or considered.
- 6.3.11 Deliberate submission of inaccurate evidence may result in the application not being considered. It may also be considered unprofessional conduct or professional misconduct. Refer to Clause 6.5.5.
- 6.3.12 No further documentation can be provided after submission of the application.

## **6.4 Disclosure Requirement**

6.4.1 To enable the AoNZOTB to give effect to the generic eligibility in 7.3 and selection criteria in 2.2, Applicants are required to disclose, at the time of this application, all or any of the following information:

6.4.1.1 In the last 10 years, has the Applicant been made aware of any notification or complaint to the Medical Board of Australia, the Medical Council of New Zealand, AHPRA or any other regulatory health complaints entity in any State or Territory of Australia or in Aotearoa New Zealand relating to their medical practice?

6.4.1.2 If the Applicant has practised in other countries, is the Applicant aware of any similar notifications or complaints made in those countries?

6.4.1.3 Is the Applicant aware of any formal complaint made to any hospital or health service in which they have been engaged or employed during the last five years?

6.4.1.4 Is the Applicant aware of any other formal complaint being made otherwise in relation to their practice as a medical practitioner in the last five years?

6.4.2 Applicants are required to provide full details if answering 'yes' to any of the above questions.

6.4.3 Applicants are invited to submit reason(s) and if applicable, any supporting evidence, demonstrating that they are suitable for the SET Programme despite the disclosure matters.

6.4.4 Disclosure of any matters set out above will not automatically disqualify an Applicant but are relevant to the AoNZOTB's assessment of the Applicant's suitability for the SET Programme in Orthopaedic Surgery.

6.4.5 If the AoNZOTB makes any adverse decision based on the Applicant's response to any of the questions in clause 6.4, the Applicant will be entitled to respond by making submissions for the Committee to consider.

## **6.5 Completing the application**

6.5.1 The information collected as part of the application and during the selection process will be used to assess the Applicant's suitability for the SET Programme in Orthopaedic Surgery. Information may be disclosed to other parties for the purpose of selection or where required to do so by law. The AoNZOTB may verify the information provided within the application with external institutions or individuals and gather additional information to process the application. Failure to provide the information requested by the AoNZOTB will deem the Applicant Ineligible for selection and their application will be withdrawn.

6.5.2 By submitting the application, the Applicant is consenting to the collection, use, disclosure and storage of the information by the AoNZOTB, RACS or its agents.

6.5.3 By submitting an application, the Applicant is consenting to assessments being collected. The Applicant accepts the assessments are collected in confidence and that a copy of the Workplace Assessment will not be made available to the Applicant. The Applicant accepts they will not be provided with additional feedback on the Workplace Assessment or provided with the names of the Consultants contacted.

- 6.5.4 By submitting an application, the Applicant verifies the information provided is correct and in accordance with these Regulations. The Applicant also verifies no false or tampered documentation will be submitted.
- 6.5.5 It is a condition of application for selection that, should at any time during the selection process or in the future, the AoNZOTB becomes aware that any evidence submitted as part of the application was false or tampered with, or the responses in the application are incorrect, misrepresented, or are untruthful, the Applicant may be deemed unsuitable for selection, not considered further in the selection process, and the AoNZOTB may, at its absolute discretion, report this to the relevant authorities and/or disqualify the Applicant from making further application to the SET programme. If the Applicant has already been selected, the Applicant may be dismissed from the SET programme. It would be sufficient grounds for dismissal that the AoNZOTB has sufficient reasonable information for it to conclude that the answers to these questions were incorrect, misrepresented or untruthful.
- 6.5.6 By submitting an application, the Applicant is consenting to members of the AoNZOTB and other persons appointed by the AoNZOTB Chair, in accordance with these Regulations, conducting the selection process and making decisions relating to their application and selection despite having made decisions previously that may be adverse to the Applicant. This includes decisions made during the current and previous selection processes and other training and assessment matters.
- 6.5.7 Each application is assessed and marked as it was submitted. No active follow up will take place in instances where the application (or verification) is incorrect or absent.

## 9. Workplace Assessments

### 9.1 Overview

- 9.1.1 Confidential Workplace Assessments are collected to obtain information about the clinical aptitude, workplace behaviour and personal attributes of the Applicant.
- 9.1.2 The maximum score for Structured Workplace Assessments is 100.
- 9.1.3 The Workplace Assessment collection period will be from 22 April to 6 May 2025.

### 9.2 Process

- 9.2.1 Applicants must contact an Assessor prior to application only to obtain permission to provide contact details including a valid email address. No attempt should be made to canvas the Assessor's intended response.
- 9.2.2 The Applicant must seek permission and provide contact details, including a valid email address, for (4) Consultants (Assessors) who each will complete Workplace Assessments.
  - 9.2.2.1 Applicants must submit all teams they have worked in and the Consultants in those teams over the last two years. Assessors must have acted in a supervisory capacity for the Applicant within a rotation from the last two years (1<sup>st</sup> January 2023 – 26 March 2025) of clinical work. At least one (1) Consultant must be from the current rotation.
- 9.2.3 A maximum of two (2) Consultants or Assessors can be nominated from a single rotation.
- 9.2.4 If an Applicant elects to provide the details for supervising Consultants in accordance with these Regulations, and it is subsequently discovered that the Applicant has provided incorrect or misleading information, either intentionally or by mistake, about the nature of their supervisory /working relationships with one or more of their nominated Consultant Assessors the Applicant may be withdrawn from the selection process and their application will not be considered further in the selection process.
- 9.2.5 If requested, Applicants will be able to exclude a Consultant from providing a workplace assessment.
- 9.2.6 NZOA will randomly select a further three (3) Assessors from the last two years where possible. The names of the randomly selected Assessors selected to submit Workplace

Assessments will not be released to Applicants. These Assessors will be from Consultants the Applicant has worked with in the last two years. . If there are not enough Assessors available NZOA may go back to the last four years.

- 9.2.7 The nominated Assessors will be contacted requesting them to complete the Workplace Assessment.
- 9.2.8 The Assessor must have a valid email address and be available to complete the Workplace Assessment during the allocated period. The Workplace Assessment can be completed online only.
- 9.2.9 A minimum of six (6) valid Workplace Assessments must be returned in order for the Applicant to progress through the selection process. A valid Workplace Assessment has 28 out of 30 questions answered.
- 9.2.10 Applicants are advised to nominate people who are most likely to be able to give a complete assessment.
- 9.2.11 The top and bottom scored Workplace Assessments will be discarded and the mean total of the remaining 5 will be used to determine the score of this selection tool.
- 9.2.12 Members of the Education Committee or NZOA Specialty Orthopaedic Training Board are eligible to complete Workplace Assessments.

## **10. Composite Assessment**

- 10.1 If invited for an Interview a Composite Assessment will be completed.
- 10.2 A Composite Assessment is a Workplace Assessment that is from the Orthopaedic Department in which the Applicant is currently working, or where necessary, previous departments as specified in 10.5. The Composite assessment is comprised of a Surgical Supervisor Workplace assessment and Four Additional Workplace assessments. Assessors for the Composite Assessments are persons with whom the Applicant has worked closely, i.e., had significant interaction in an active clinical setting on a regular basis (i.e., daily, or weekly) for the duration of an orthopaedic rotation.
- 10.3 The local Surgical supervisor, on behalf of the Education Committee, completes the Surgical supervisor Workplace Assessment. The Surgical supervisor Workplace Assessment is structured with the same format as an Individual Workplace Assessment. The Surgical supervisor Workplace Assessment has a greater number of domains and is more comprehensive than an Individual Workplace Assessment.
- 10.4 For the purpose of the Surgical Supervisor Workplace Assessment the Surgical Supervisor will convene a departmental meeting, at which the Applicant will be assessed against a standardised set of questions and given a consensus score for each domain in the Surgical Supervisor Workplace Assessment. By applying for SET Selection Applicants give approval for this assessment to occur. Meeting minutes will be taken to record the feedback provided.
- 10.5 By applying for SET Selection Applicants give approval for Surgical Supervisors to contact, if necessary, Orthopaedic surgeons in previous departments that Applicants have worked in over the last two (2) years. This is for the purpose of obtaining further information about the Applicant to aid in the departmental assessment in 10.4.

- 10.6 By applying for SET Selection Applicants give approval for Surgical Supervisors to contact health professionals, in the hospital that the Applicant(s) currently work in, for the purpose of obtaining Additional Workplace Assessments.
- 10.7 The additional Assessors are selected by the Supervisor. Up to two assessments are completed by advanced trainees. The remaining Assessors are usually senior nursing colleagues in outpatient departments, the ward, or operating theatres. Alternative allied health professionals, such as physiotherapists, can be selected by the supervisor if they are currently working closely with the Applicant.
- 10.8 The Surgical Supervisor Workplace Assessment and the Additional Workplace Assessments are objectively scored from a predetermined marking schedule.
- 10.9 The final Composite Assessment score is comprised of:  
Surgical Supervisor Workplace Assessment – makes up 84% of the final score  
Four Additional Workplace Assessments – makes up 16% of the final score (4 x 4%)

## **11. Multi-Mini Interviews**

### **11.1 Overview**

- 11.1.1 Orthopaedic Selection Interviews will be held in New Zealand on a date and place to be determined and advised.
- 11.1.2 The Interview process may be varied to accommodate prevailing COVID or similar requirements or restrictions in force at the time of Interview. In the event of a variation:
- 11.1.2.1 The Interview structure will remain constant however the Interview may be delivered online.
  - 11.1.2.2 The interview date and venue will be notified at least 8 Business Days prior.
  - 11.1.2.3 Applicants will be required to comply with any and all restrictions and/or protocols.

### **11.2 Notice of Interview**

- 11.2.1 Interview date(s) are published on the NZOA and RACS website.
- 11.2.2 Applicants will be required to make themselves available to attend in person at the scheduled Interview time.
- 11.2.3 It's the Applicant's responsibility to make the appropriate travel arrangements and to meet any costs incurred in attending the Interview.
- 11.2.4 Applicants who do not present for the Interview in person will not be considered further in the selection process and their application will be deemed to have been withdrawn.
- 11.2.5 Applicants will be briefed on the Interview process and will be given the opportunity to ask any process-related questions.
- 11.2.6 Applicants are required to provide proof of identification at the Interview.

### **11.3 Interview structure**

- 11.3.1 The Interview will be conducted by a series of up to seven (7) Interview panels, each comprised of three (3) interviewers. Each panel will conduct a designated section of the Interview with all Applicants rotating between panels.
- 11.3.2 Applicants will spend eight (8) minutes with each panel.
- 11.3.3 The Interviews may include any of the following topics:
  - 11.3.3.1 Interest in orthopaedic surgery;
  - 11.3.3.2 Technical expertise;
  - 11.3.3.3 Collaboration and teamwork;
  - 11.3.3.4 Communication;
  - 11.3.3.5 Health advocacy;
  - 11.3.3.6 Judgement and clinical decision making;
  - 11.3.3.7 Management and leadership;
  - 11.3.3.8 Medical expertise;
  - 11.3.3.9 Professionalism and ethics;
  - 11.3.3.10 Scholarship and teaching; and/or
  - 11.3.3.11 Cultural competence and cultural safety
- 11.3.4 Panel Interviews will commence in a standard manner for all Applicants. Follow-up questions may vary based on Applicant responses. These questions will be used to explore the breadth and depth of the Applicant's experience and insight.
- 11.3.5 The Applicant's Personal Statement may be used as part of the Interview process.
- 11.3.6 Observer(s) may be present for all or part of the Interview to ensure the validity of the Interview process but will not participate in scoring.

### **11.4 Scoring**

- 11.4.1 Applicant responses will be evaluated based on a standardised Interview scoring guide, which includes positive and negative indicators of performance.
- 11.4.2 Each panel member will score the Applicant independently.
- 11.4.3 All scores will be combined to reach a total Interview score.
- 11.4.4 A copy of the Interview question sheet or individual scores/data will not be provided to Applicants.

## **12. Application Progress**

- 12.1 Harassment of any kind is a serious matter and may result in an Applicant being deemed unsuitable for selection. Harassment includes but is not limited to repeated requests by an

- Applicant to any Assessor, AoNZOTB or Education Committee member or NZOA staff member involved in the selection process. Inappropriate, aggressive, or bullying behaviour will not be tolerated.
- 12.2 Applicants who satisfy the eligibility and application requirements will be considered in open competition for selection to the SET Programme in Orthopaedic Surgery.
- 12.3 In Stage 1, Applicants will be scored in and ranked according to the combined CV and Workplace Assessment score.
- 12.4 The AoNZOTB will determine the number of Interviews to be conducted based on the number of training positions expected to be available in the following year.
- 12.5 Applicants who are not invited to Interview are deemed unsuitable and will not be considered further in the selection process. Applicants will be notified in writing they have not ranked high enough to be invited to Interview and will not be considered further in the selection process.
- 12.6 Applicants who have progressed through to Stage 2 will be ranked based on their Composite Assessment score and Interview scores (Overall Score).
- a) The ranked Applicants' data undergoes analysis by a statistician and is stratified into bands.
- b) Applicants in the top band are above the selection threshold and are selected.
- c) Applicants in the middle band are close to the selection threshold. Using standard statistical methods their scores cannot be differentiated from others in the middle band. Applicants in the middle band may be selected.
- d) Where substantive gender equity has not been met, the Education Committee may select candidates preferentially from the middle band to help in achieving substantive gender equity.
- e) Where substantive Māori equity has not been met, the Education Committee may select candidates preferentially from the middle band to help in achieving substantive Māori equity.
- f) The Education Committee will by consensus rank candidates in the middle band to determine the final selection. In the unlikely event that consensus cannot be reached the chairperson of the Education Committee will determine the final ranking of the middle band candidates.
- g) Applicants in the bottom band are not selected.
- 12.7 Applicants who progressed to Interview but who did not rank highly enough to be selected will be classified as Unsuccessful. Applicants will be advised in writing that:
- a) their application was Unsuccessful.
- b) they will be offered feedback on the selection Interview.
- c) feedback will be given to the Applicant by the local Education Committee Representative within 8 to 10 days.

- 12.8 Applicants who successfully progressed to Interview and who ranked high enough in comparison to the number of available Accredited Training Posts will be classified as Successful and will be allocated to an Accredited Training Post. Applicants will be advised in writing:
- a) That they have been Successful in the selection process and are being offered a position in an Accredited Training Post on the SET Programme in Orthopaedic Surgery.
  - b) of any Conditions associated with the offer.
  - c) of any information with respect to the Trainee's applicable entry level, and the process for allocation to the Accredited Training Post.
  - d) a copy of the Training Regulations for the SET Programme Orthopaedic Surgery.
  - e) a SET Trainee Agreement.

## **13. Application Outcome**

### **13.1 Offers**

- 13.1.1 Successful Applicants are required to accept or decline the Accredited Training Post allocated to them.
- 13.1.2 If there are deferral and interruption requests, there may be subsequent offers made.
- 13.1.3 Applicants who do not rank highly enough to receive a first-round offer, will be considered eligible for subsequent offers.
- 13.1.4 Acceptance of the offer will be conditional on the following:
- 13.1.4.1 Acceptance of the Accredited Training Post identified in the offer
  - 13.1.4.2 Applicants satisfying unconditional medical registration requirements in Aotearoa New Zealand
  - 13.1.4.3 Applicants satisfying the employment requirements of the relevant health areas and/or the allocated hospital
  - 13.1.4.4 The information submitted in the Application form being true and correct
  - 13.1.4.5 Satisfactory completion of all minimum eligibility criteria
  - 13.1.4.6 Agreement to abide by the [SET Programme Training Regulations](#) and [RACS policies](#) at all times, which form part of the contract and acceptance of the conditions, and non-compliance would be sufficient grounds for dismissal. Return of a signed SET Trainee Agreement, in accordance with instructions given, by the stipulated deadline.
- 13.1.5 Applicants who fail to satisfy any of the above conditions will automatically forfeit the offer.

- 13.1.6 Applicants who decline the offered Accredited Training Post will automatically forfeit the offer.
- 13.1.7 Forfeited offers will be made available to the next highest scoring eligible Applicant.
- 13.2 Deferral**
- 13.2.1 Successful Applicants may apply to the Education Committee to defer commencement of the SET Programme in Orthopaedic Surgery.
- 13.2.2 All applications for deferral are governed by the [RACS Regulation: Trainee Registration and Variation and the SET Programme Training Regulations](#).
- 13.2.3 Applicants who wish to defer the commencement of the SET Programme Education Committee must formally apply to the Education Committee at the time of acceptance outlining the reasons for their request and providing any related documentary evidence.
- 13.2.4 All requests for deferral will be considered but not necessarily granted. The Education Committee will make a determination on the approval or otherwise taking into consideration the reasons for the request and logistical considerations.
- 13.2.5 Requests for deferral may be denied. Should a request for deferral be denied, Applicants must either accept the original offer or decline the offer and consider reapplying in any subsequent year.
- 13.2.6 The Education Committee can approve deferral of commencement for a fixed period of one year. Trainees who have already commenced the SET Programme cannot apply for deferral and may only apply for interruption of training.
- 13.2.7 Applicants who receive approval to defer the commencement of training will be guaranteed a clinical training post and assigned a SET level, at the start of the year they commence clinical training.
- 13.2.8 Applicants are not permitted to apply for retrospective accreditation of clinical work undertaken during any period of deferral.
- 13.2.9 An approved period of deferral does not preclude the Applicant from being employed in a non-training clinical rotation.
- 13.3 Flexible training**
- 13.3.1 Successful Applicants who wish to be considered for Flexible Training in the first year must lodge a request to the AoNZOTB at the time of acceptance. It is unlikely flexible training would be granted in SET 1.
- 13.3.2 While every effort will be made to accommodate flexible training requests, no guarantees can be provided. Where a flexible training request cannot be accommodated the Applicant may either accept the full-time training offer, defer for one year, or decline the offer.
- 13.3.3 Applications for flexible training are governed by the [RACS Regulation: Trainee Registration and Variation and the Orthopaedic Surgery SET Programme Training Regulations](#).

#### 13.4 **Reconsideration**

- 13.4.1 An Applicant dissatisfied with a decision made in relation to these Regulations may apply to have the decision reconsidered (**Reconsideration**).
- 13.4.2 The Reconsideration will be processed in accordance with the RACS Regulation: Reconsideration, Review and Appeal. The original decision maker under these Regulations is the AoNZOTB.
- 13.4.3 Applications for Reconsideration must be addressed to the Chair, AoNZOTB and received within seven (7) consecutive days of the Applicant being notified of the decision. Applications received outside this timeframe will not be considered.
- 13.4.4 Applications for Reconsideration must be accompanied by all relevant information or grounds upon which the Applicant seeks to rely in respect of the Reconsideration. The Applicant will bear the onus of proof to establish the grounds for the reconsideration application.
- 13.4.5 Workplace Assessment scores are determined by Assessors and are not subject to AoNZOTB discretion. Accordingly, applications for Reconsideration, Review or Appeal in relation to the scores for this selection tool will not be accepted.
- 13.4.6 In the absence of manifest error in the scoring of Structured Curriculum Vitae's (CV) for selection to the SET programme, applications concerning CV scoring will not be accepted.

#### 13.5 **Selection Process Review**

- 13.5.1 The AoNZOTB will review the selection process on an annual basis and consider feedback from Applicants, Interviewers, Assessors, and other stakeholders.
- 13.5.2 Once the selection process has concluded and the final outcomes have been determined, the Education Committee has the right to contact any individual involved in the process for the sole purpose of quality control.
- 13.5.3 Long term data will be kept and monitored as part of the review process including completion rates, withdrawal rates, performance levels and dismissal rates.
- 13.5.4 New selection tools may be developed and piloted during the selection process. Any data collected will not be used in the current selection process but may be used to analyse and validate the tool piloted.
