

## **Medical Advisor - ACC**

- Use your clinical knowledge and skills in a different setting than your usual clinical practice
- Be a key part of our multidisciplinary clinical team
- Location: Hamilton, Wellington, Auckland, Christchurch, or Dunedin. We are flexible on location

### **Mō mātou - About us**

Tā mātou nei whakakitenga, he waihanga I ngā honongo ahurei me ngā Tāngata kātoa o Aotearoa, kia ngāwari ake ngā wā e whara ai te tangata, hei whakapiki i tā rātou nei oranga.

Our vision is to create a unique partnership with every New Zealander, improving their quality of life by minimising the incidence and impact of injury.

### **Mō te tūranga mahi - About the role**

To help deliver this vision, we are seeking Medical Practitioners with current MCNZ Vocational registration to join our team of experienced Clinical Advisors. Working with us brings unique opportunities for regular collaboration and connection with colleagues, growing your career with supported professional development.

In this role you will be part of our multi-disciplinary clinical team. You will use your medical experience and knowledge to provide clinical guidance on ACC claims. You will evaluate and interpret a wide variety of documentation and actively collaborate to support and advise internal ACC staff. This is a great opportunity to learn new skills related to interpreting clinical information within a legislative context of the ACC Act.

- Regular hours will be agreed within ACC's standard hours of work of 8am-6pm Monday to Friday
- Full-time and part-time roles with preferred minimum of 20 hours per week
- Preferred days to be agreed
- Preferred location to be agreed

### **Mōu - About you**

We are seeking experienced vocationally registered medical practitioners with strong background experience across a variety of clinical settings and up to date medical knowledge and skills.

- Team player in a multidisciplinary team
- Proven ability to think logically and critically
- Proven ability to write succinct high-quality documentation
- Skills for effectively managing a high-volume workflow
- Proactively and positively engages to solve problems
- Engaged in continuous learning and improvement with regular professional development
- You will have a Vocational Registration with current MCNZ annual practicing certificate

## **Mō ACC - Working at ACC**

We know that a diverse and inclusive team helps us meet the needs of our customers and we welcome candidates from every ethnicity, national origin, gender identity, age, and those with a disability or who have additional mental health needs. It is important to us that people are free to be themselves at work.

### **Here are some ways we encourage that:**

- Employee networks to support our colleagues from diverse backgrounds
- The option to explore flexible working that suits your needs and ours
- Development opportunities in te reo Māori me ngā tikanga.
- We also offer a pro-rata CPD allowance and professional fees reimbursement
- The starting salary for this role is \$245,036 plus 9% employer Superannuation contribution
