

# Orthopaedic Surgeon Awaiting Fellowship

## Fixed Term Position

If you are an Orthopaedic Surgeon who is awaiting fellowship and who is seeking a role that will broaden your clinical exposure, this may be just the role for you, in that case read further into what the South Canterbury area and District Health Board can offer you!!

Based in the family friendly environment of Timaru you will have access to a host of outdoor activities right at your door step (e.g. five ski fields, several lakes and mountains all within one to two hours' drive) together with many outstanding local sporting facilities (some of international standard, like SCF Tennis Centre, Aorangi Park Sport Stadium, Timaru Motor Raceway, and CBay Aquatic Centre), there is truly something here for most to pursue or develop interests in outside of work. Timaru really is in an ideal location as everything is in close proximity and definitely no issue of traffic jams!

While this role is Full Time, there is real scope to create the personal time to commit to other interests as our afterhours expectations are not overwhelming.

This role will offer a truly competitive salary and range of attractive benefits that will definitely not leave you feeling disappointed.

Professionally speaking we are looking for an Orthopaedic Surgeon (awaiting fellowship) seeking to extend themselves. You would be working in a facility with CT/MRI on site, in an informal (almost extended family) atmosphere, alongside colleagues who will be on your back to participate in outdoor pursuits, just in case you require challenges outside of the work environment.

For more information about Timaru take a look at the following website <https://www.aorakitourism.co.nz/> and if you're still feeling unsure, here's a great video clip to help make your decision easier <https://www.aorakidevelopment.co.nz/live-and-work/our-story-video>

Sound like your sort of team and work/lifestyle environment?

We think Timaru Hospital allows our clinicians a real chance to "have their cake and eat it too" so why not call and find out if that could be true for you.

**Please apply for this vacancy online at <https://scdhb.carecentre.net.nz>**

We look forward to receiving your application directly via our Careers Site.

If you have any questions regarding this role please contact our Human Resource Adviser by phoning 03 687-2388.

**Closing date: OPEN**

Please be aware, if you are an overseas candidate that as of November 2017 The Medical Council of New Zealand (the Council) introduced a new method of primary source verification using the Educational Commission for Foreign Medical Graduates' Electronic Portfolio of International Credentials (ECFMG's EPIC) service. Being certified through EPIC is now compulsory and we therefore recommend that applicants have registered their professional credentials with EPIC.

<https://epic.ecfmgepic.org/Registration.aspx>

Please visit the NZMC website for more details about these changes and the other requirements needed to be met toward gaining NZ Registration.
