Spine Fellowship now available. Six month or twelve month spine fellowship at Middlemore Hospital in Auckland

Middlemore Hospital has the Regional Spinal Cord Injuries Unit for the upper North Island of New Zealand with a catchment population of 2.5 million. Working with four orthopaedic spine surgeons, the fellow will be involved in the care of acute and elective spine patients, including patients admitted through the Regional Acute Spinal Cord Injury Pathway. Fellows will also gain experience in the management of the full range of spinal column injuries.

Exposure to outpatient clinics allows assessment of new spine patients and those requiring follow up. Elective referrals expose the Fellow to management of degenerative diseases, infections, inflammatory arthritis, adolescent scoliosis, tumours and metastatic disease and complex deformity. The Fellow would be intimately involved in the assessment, co-ordination, and treatment of patients with spinal cord injuries. This is a clinical fellowship however opportunities for research are available and would be supported.

Interest should be made via e-mail, with attached CV, to Mr Alpesh Patel.

Alpesh.Patel@middlemore.co.nz

Hand Fellowship - 12 months commencing mid-year

Middlemore Hospital
Private Bag 93311
Otahuhu, AUCKLAND
Contact: Ms Karen Smith

Email: ksmith2@middlemore.co.nz

WAIKATO:

Orthopaedic Trauma Fellowship - 6 or 12 month fellowship at Waikato Hospital.

Waikato Hospital is a level 1 Trauma Hospital which services the central North Island of New Zealand (population approximately 1/2 million) covering all aspects of Orthopaedic Trauma.

The fellowship includes opportunities to gain exposure to all aspects of Orthopaedic Trauma (Upper Limb, Pelvis, Lower Limb and Spine) with the ability to tailor the experience to the individual's interests.

This fellowship is largely clinically based with a mix of Fellow and Consultant lists however opportunities for research are available.

Interested applicants should email Mr Joe Baker and Mr Steve McChesney with a cover letter and CV.

joseph.baker@waikatodhb.health.nz; steve.mcchesney@waikatodhb.health.nz

WELLINGTON:

Fellow – Orthopaedics, Hutt Valley DHB. 6-12 month contract

Are you at the end of your training and looking for a fellowship for 2018? We have a new post for an Orthopaedic Fellow in our Orthopaedic Department. You must be highly-motivated and enthusiastic, registered in New Zealand (or hold a qualification entitling you to registration in New Zealand) and have attained Fellowship of the Royal Australasian College of Surgeons and be willing to take a lead in the management of acute presentations.

This position is most suited to someone who has recently completed formal orthopaedic training prior to applying for an orthopaedic consultant position. It will provide valuable experience in a supported environment to assist the successful applicant to gain further skills in orthopaedics. It will involve acute and elective operating lists, clinics, supervision of trainees, teaching and administrative duties. Efforts will be made to tailor the position to the career aspirations of the successful applicant. This is a fixed-term position for 6 to 12 months.

If you would like any further information regarding the position please contact David Walker, General Surgery and Orthopaedic Services Manager, at David.Walker@huttvalleydhb.org.nz or phone 0275627567.

All candidates must complete our online Hutt Valley DHB application form through our careers website: www.healthyjobs.co.nz. Vacancy number 3708-17. Applications close 12 January 2018.
